

Committees/Chairpersons: Community & School Support

ASB Representative(s): Partnership with ASB (Assembly of Students) to provide support with their activities. This would be ongoing throughout the school year along with guidance from 5th grade teachers. We hope to encourage more student involvement with newsletter and PTSA activities

Representative: Barb Keto, 891-8903

Beautification Project: Fancy way of saying our school needs a face lift! We are not getting a new school any time soon, so we want to implement some changes that will bring color and art and a modern feel to the school. This will be a committee and the time it takes is based solely on what time you have to give.

Chairperson: Selena Corson, 891-8036

Dr. Seuss Day: This is a one day event at the end of February which coincides with Read Across America Day and celebrates Dr. Seuss's birthday. Students and teachers dress up as their favorite Dr. Seuss characters. The PTSA distributes popcorn and lends it's support to teachers.

Representative: **POSTION OPEN**

Hospitality: Have ideas on how to make our school, events and meetings friendlier? Then we have a committee for you. The **Baker's Brigade** provides throughout the school year baked goods for specific events such as PTSA meetings, staff appreciation, etc. It is a great way to support your school and teachers from home. **Teacher Appreciation** provides support for Staff Appreciation events during the Spring. We are always looking for creative and fun ways to show the staff how much we value their efforts and dedication to our children. **Childcare** provides support during our general meeting held three times a year. It's a great way for older sibling to help support their old school and get those community service hours.

LINKS: Looking Into the Needs of Kids: Be a part of a pool of volunteers for Academic Support & Special Projects ~ Not specifically tied to a classroom. Our idea is that teachers will identify a need & contact PTSA to fill with volunteers. It could be helping with Math; Reading & Writing (tutors - in groups or 1:1). Or with special one-time art project. This need was identified in a goal setting meeting btw teachers & PTSA.
